Happy new year Michael!

Attached is the latest FS fact sheet and we'll change the month to January 2013.

I'm in the office Jan. 2 and 3 and will be out of the office the week of Jan. 6 and will return on Jan. 13.

Hope you were off work and had a nice time with your family.

How was your weekend? What is the status of the factsheet? Has everyone looked at it?

Patti,

This is the draft layout. We are looking for a better PDF for the graphic. Also, with 3 lines the title isn't exactly fitting in the normal layout standards. We could make it all one size - but, the font would be significantly smaller. Please let me know if you'd like it modified or have additional edits.

Thanks,

Carla

Carla – Attached is the Allied Landfill fact sheet about the feasibility study.

For this fact sheet we want to insert the map Alternative Figure 1 that's in the feasibility study and it's also attached.

Thanks.

Of course it depends on when you have approval. But, Thursday and Friday are holidays for us. Monday at the earliest is my best guess. If we have approval tomorrow, I'm sure I can get some in the mail on Wednesday.

Carla – I'll be sending you a draft factsheet for formatting about the Allied Paper Landfill OU- feasibility session.

Can you share with me when is the earliest we could get this printed and mailed?

Thanks.
